

TALBOT

Technical Rider

2010

1 Technical requirements

1.1 Backline

- We only need the local PA system to be there and work good!
- We use our own backline
- We have our own lights that we put on the ground behind us.

If you have any questions, do not hesitate to send us an e-mail (talbot@talbot-music.com) or call **Raido Traumann +37253488262** or **Magnus Andre +37253912424**

1.2 Sound Equipment

- PA system and 2 monitors needed
- Other specifications see Stage plan.

1.3 Engineers

- There must be one sound technician from load in to load out, who is familiar with local sound equipment.
- We have our own sound engineer **if we don't notify otherwise**
Raido Traumann.

GSM: +37253488262 or e-mail: raido@forwards.ee

If you have any questions, do not hesitate to call or send an e-mail!!!

2 Other

2.1 Backstage

A backstage where we can change our clothes before and after the gig would be nice. It does not need to be a fancy room. However a room which is private and where is possible to have a seat.

2.2 Refreshments

If possible it would be highly appreciated if you could provide us 12 x 0.5L bottles of still water on the stage and 2 x 6 bottles/cans of regular light beer on the backstage.

2.3 Merchandise

Would be nice to have one table and some wallspace behind it for selling the merchandise.
